TERMS AND CONDITIONS

- Unless the customer and Twist have executed MSA (Master Supply Agreement) or similar contractual arrangement, all transactions between customer and Twist are governed by Twist's terms and conditions which can be found at: www.twistbioscience.com/terms-conditions.
- Customer acknowledges that by submitting a purchase order and a list of sequences or an aliquot of their custom vector to Twist, the information provided will be considered correct and final.
- If your organization is tax exempt, please provide supporting documentation (i.e. certificate of sales tax exemption).
- Shipping, handling and taxes will be added at the time of invoicing.
